HOW TO PLAY "CAPS THE GAME"™ ...

1. The Cap™ game is played with two or more players.
Everyone should determine if your playing for fun or for keeps;
2. "Ante Up!" – each player provides five or more "Caps™" branded game discs that are placed one on top of the other, design side up, to create a stack;
3. Flip a coin to determine who goes first and the order of turns.
4. Each player then uses their own Slammer™ disc to hit the top of the stack and any discs that land number side up are won by that player;
5. All game discs that remain design side up are restacked into a straight even stack for the next players turn;
6. Players continue the game until the very last disc is won.
