

Sonic Advance™

For Game Boy® Advance

PRODUCT DESCRIPTION:

Sonic Advance marks the hedgehog's return to 2D, with graphics and gameplay reminiscent of the original Sonic the Hedgehog games. Dr Eggman (a.k.a. Dr Robotnik) is at it again, with a brand new scheme to trip up Sonic and his pals. This time you'll play as Sonic, Tails, Knuckles, and Amy as you collect Chao Emeralds and thwart Eggman's nefarious machines. You'll need all the help you can get, because this all-new quest gets more challenging by the minute with tons of new puzzles and traps.
