SEGA® Reveals *SONIC X SHADOW GENERATIONS™*

Shadow the Hedgehog™ is back and is teaming up with Classic and Modern Sonic in SONIC X SHADOW GENERATIONS, an all-new collection featuring two unique experiences.

February 1st, 2024, as part of PlayStation's State of Play broadcast, SEGA revealed *SONIC X SHADOW GENERATIONS*, introducing a brand-new Shadow story campaign featuring never-before-seen powers and abilities, as well as a complete remaster of the original *Sonic Generations™* for the latest console era. Explore time and space in this definitive blend of Shadow, Classic Sonic, and Modern Sonic gameplay. *SONIC X SHADOW GENERATIONS* is set to release digitally and physically in Autumn 2024 on PlayStation®5 (PS®5), PlayStation®4 (PS®4), Xbox Series X|S, Xbox One, the Nintendo Switch™ family of systems, and PC.

SONIC X SHADOW GENERATIONS introduces a brand-new Shadow story campaign where his old nemesis, Black Doom, returns and threatens to take over the world. Fans can play as Shadow and dive into his dark past to unlock his inner powers, explore his backstory, and confront familiar foes to save the world and prove why he's known as the Ultimate Life Form!

That's not all! *SONIC X SHADOW GENERATIONS* also includes a full remaster of the original Sonic Generations, which combined nostalgia from the iconic 2D era of Sonic with the blistering excitement of modern 3D Sonic gameplay. The story centers around Sonic and friends as their universe is thrown into chaos when a new threat appears, taking them on a journey through time and dimensions. Players can experience this adventure again with upgraded visuals, new challenges, and more bonus content!

To celebrate the news, SEGA released a new trailer providing a glimpse of the title with action-packed footage to get fans excited for the new additions to come this autumn:

About PLAION

PLAION is a leading independent developer and producer of games and entertainment products, with nine development studios and five publishing units based all over the world. Founded in 1994 as Koch Media, PLAION offers a unique breadth of services and solutions, dynamically growing its business to push ourselves and our partners to the forefront in all the segments we operate in.

PLAION runs a multi-label strategy, with fully owned publishing units, such as Deep Silver, Prime Matter, Milestone, Vertigo Games and Ravenscourt, publishing games for consoles, PC and VR platforms across all physical and digital channels.

Additionally - as a global publishing partner - PLAION has formed long-term multinational publishing collaborations with numerous game publishers including Activision Blizzard, Bethesda, Capcom, Focus Multimedia, Giants Software, Koei Tecmo, Paradox, Sega, SNK, Square Enix, Techland, THQ Nordic, Tripwire, Warner Bros and many others.

With its parent company in Höfen, Austria - and the HQ in Munich, Germany - PLAION owns local publishing companies in Germany, UK, France, Spain, Italy, Sweden, the Netherlands, Austria, Switzerland, Poland, Australia, the United States as well as Japan and Hong Kong.

PLAION owns nine game development studios: Deep Silver Dambuster Studios (Nottingham, UK), Fishlabs (Hamburg, DE), Warhorse Studios (Prague, CZ), Milestone (Milan, IT), Voxler (Paris, FR) , DigixArt (Montpellier, FR), Flying Wild Hog (Warsaw, Kraków, Rzeszów, PL), Free Radical Design (Nottingham, UK) and Vertigo Games (Rotterdam, Amsterdam, NL). Additionally, PLAION collaborates with numerous independent development studios around the world.

Part of PLAION is also PLAION PICTURES, a leading independent film distributor in Europe with a library of more than 1.400 titles. Further business operations include Sola Media, a sales agency and production company for family entertainment, Spotfilm Networx, a multi-channel streaming network, and a sub-label dedicated to Japanese animation.

PLAION also owns the leading video game merchandise company DPI Merchandising (Denver, Roseburg, USA and Munich, DE) and a Quality Assurance Facility in Olomouc, CZ.

PLAION is an Embracer Group company.
